Staff Spotlight

Ambler is so fortunate to have Mrs. Chelsea Moore back at our school this year. Mrs. Moore is a 2015 graduate of Anderson University. She will be teaching 2nd grade this year with Mrs. Cox. Mrs. Moore loves to spend time with her husband, play with her dog, and watch the Clemson Tigers on Saturdays. Please join us in welcoming Chelsea back to our awesome school and the Pickens community.

YMCA Mentor Program

We are so excited to announce that Ambler will be partnering with the YMCA to bring the Y Mentor Pickens County program to our school. Our mission is to provide a framework of support to help students achieve their potential and discover their strengths. We are in need of mentors to work with our children for this school year. For a mentor, it is as simple as meeting with a student one day a week for 30 minutes. A mentor is not a tutor and has no specific agenda; but rather is an advocate, an encourager, a confidante, a listener, an adviser, and a friend. Mentoring is an excellent way to reach at-risk young people, helping them to build trust, confidence and skills that will last a lifetime! Schedules are flexible in that you can meet at lunch time, before school, or other times during the school day. Please consider becoming one of our mentors. If you feel that this is your calling, please contact our school counselor Claudia Long at 397-1204 or claudialong@pickens.k12.sc.us. Thank you so much!
